Journey to Excellence - District Performance

Each standard in the Journey to Excellence lays the foundation for delivering a quality program to youth. It is a road map to assist units in being successful.

As a member of the district, you have a direct responsibility in helping units succeed in achieving their Journey to Excellence as well as meeting criteria for your district. This training will not only help you understand your role on the District committee, but it will give you the tools and resources necessary to be successful in your own position.

Recognition

Participants may wear a "Trained" patch for completing this course, and fulfills the training requirement for the District Committee Knot.
